

BRAKE CABLES

NEWS FROM THE OREGON REGION OF CCCA

DIRECTOR'S MESSAGE

A REMINDER THAT OUR MEETING IN AUGUST, WILL BE ON WEDNESDAY, AUGUST 2nd , not on our normal Thursday.

Our club had a wonderful turnout for the Forest Grove Concours on July 16th. I didn't count, but we probably had over a dozen member's cars on the show field. Bhagwan and Gail Mayer had the oldest car (1928 443 Packard Runabout) on the Saturday wine tour and Roy and Beverly's 1953 Buick woody station wagon was the featured poster car for wood bodied cars. It was nice to have such a great showing, the weather was great and I understand both the number of cars and the attendance was a record. Our participation helps keep the event vibrant and alive, when other concours events are disappearing.

On July 19th, Rodger Eddy led a group of 12 to dinner at the Tippy Canoe on the Sandy River. Thanks to Rodger for organizing the event.

On August 5th, we previously had a scheduled tour, which is being postponed, so that our members can attend the Orenco Station, "Classic Cars From the Platform to the Park" event, from 10:00 am to 2:00 pm. Contact Robert Douglas or Matt Hackney if you are interested in attending.

The Oswego Heritage Council, Lake Oswego Car show is scheduled for August 27th. Our club has always been a big supporter of this event, as we use the Heritage House for our holiday dinner party.

If you are planning on participating on the September tour (September 9-16), please get your payment into Howard Freedman. It is also time to get your car tuned up and ready. This is going to be one fabulous trip.

Our monthly member's meeting will be held at O'Connor's Restaurant, this coming Wednesday, August 2nd at 6:30 pm.

CCCA Passport Driving Program

(REVISED)

This new Driving Program is about the joy of owning a Classic Car and the true thrill of taking the wheel to use them as they were originally attended – for motoring. Mileage Car Badges are awarded based on the miles that you drive your full classic. The first badge comes at 1,000 miles, additional badges are awarded as you achieve higher mileage. To register your cars the odometer reading must be verified, and a registration form filled out and mailed to CCCA with a fee of \$25 per car. This is a good program to promote driving our cars. Now is a good time to get registered for 2017. As a national director, Howard Freedman and certify your mileage.
