

# **BRAKE CABLES**

NEWS FROM THE OREGON REGION OF CCCA

## **DIRECTOR'S MESSAGE**

This issue of Brake Cables is coming to you a little early, as Mary and I are packing for Auburn, Indiana, for ACD Week, and won't be back until the day before our regular meeting. We have talked about going to Rodger and Jan Eddy's Auburn Hotel for years, so we finally decided to go. We are looking forward to seeing the area and the attending some of the ACD activities.

Our Sunshine Lady, Evelyn Freedman needs some help. She is somewhat "under the weather", and is recuperating at the Robison Health Center. I am sure she would enjoy your visit. We also need someone to volunteer to be the sunshine person until Evelyn is back on her feet. Please let me know if that is something you are willing to do.

The Lake Oswego Car and Boat Show was held on August 27<sup>th</sup>, and I saw several nice full classics, mostly being displayed by CCCA members. Thanks for your participation

Several of our members participated in the Orenco Station Car Show and several other events this month. It's great to see our cars out on the road.

Our September 9-16 Oregon Region tour to Osoyoos, BC Canada, Grand Coulee Dam and Mt. Rainier is rapidly approaching. I just put new radial tires on our 1940 Packard, so I am hoping it will be a trouble free trip. Mary and I drove some of the route this past month, and much of it is breath taking. Please thank our tour committee, Rodger Eddy, Robert Douglas, George and Sylvia Potter and Howard Freedman for all the hard work they have done to make this a memorable tour.

Our monthly member's meeting will be held at O'Connor's Restaurant, Thursday, September 7th at 6:30 pm.

## **CCCA Passport Driving Program**

**(REVISED)**

This new Driving Program is about the joy of  
owning a Classic Car and the true thrill of taking  
the wheel to use them as they were originally  
attended – for motoring. Mileage Car Badges  
are awarded based on the miles that you drive  
your full classic. The first badge comes at 1,000  
miles, additional badges are awarded as you  
achieve higher mileage. To register your cars  
the odometer reading must be verified, and a  
registration form filled out and mailed to CCCA  
with a fee of \$25 per car. This is a good program  
to promote driving our cars. Now is a good time  
to get registered for 2017. As a national director,  
Howard Freedman and certify your mileage.
