## NEWS FROM THE OREGON REGION OF CCCA

### DIRECTOR'S MESSAGE

The August 2<sup>nd</sup> Members Meeting was attended by 19 members & guests. A full report was given on the Grand Classic which was deemed a success. We received glowing reports from the participants, and the Concours Committee. All of you who entered your cars, and volunteered and helped with the events made this possible.

Howard Freedman reported that our September "Northern California Redwoods Tour" is sold out (16 cars). The route is set., hotels & meals are booked and Bob Douglas has produced a wonderful tour book. This will be a terrific tour to the Northern California coast with many fun stops.

Our "Getting to know You" subject was Lisa Nowak who told us about her life adventures, which included schooling in several fields, Nascar racing in the South, racing in the Northwest with husband Bob Earls, and her interest in writing and becoming a published author.

Special thanks to Bob Douglas for arranging our Cruise-Ins to Courtyard Village, the Robison Home and Washington Federal Savings and Loan.
