## NEWS FROM THE OREGON REGION OF CCCA

### **DIRECTOR'S MESSAGE**

**HAPPY NEW YEAR!!!!** My resolution is to have a more settled 2022 so we can get out and enjoy each other's company with our cherished automobiles. **There will not be a CCCA/Packard Club meeting in January because of the annual meeting being held on January 9<sup>th</sup>.** Our first 2022 meeting will be on February 3<sup>rd</sup>, at Ernesto's Restaurant.

After the first of the year, our Brake Cables Newsletter will be reformatted to reflect our relationship with the Packard Club. Thanks to John Imlay for authoring the letter explaining our relationship, which you all should have received.

Our **holiday dinner and annual meeting will be on Sunday, January 9<sup>th</sup>, 5:00 pm at the Tualatin Country Club.** If you have not signed up, please contact Howard Freedman by January 3<sup>rd</sup>, as we need to confirm the number of attendees. There will be a wonderful surprise program that you will not want to miss. The clubs will be paying a significant portion of the cost, reducing your cost to just \$30 per person.

**\*\*Please note that the Tualatin Country Club will require proof of vaccination.**

Thanks to those who donated to our annual Food Bank fund drive. We collected \$450, which Howard Freedman has delivered.

Both the Oregon Region, CCCA and Packards of Oregon need a publication editor, so we can continue to produce quality quarterly publications about our hobby. We need volunteers to produce content and someone with layout experience to format the publications. Larry Schick and his family have produced the Hood Release for the past six years and John Imlay and Joe Santana have produced the Oregon Clipper for the Packard Club for the past five years. Both Larry and John will help train and transition their experience to a new editor. Please contact Bill or John if you have interest in helping our clubs.
