## NEWS FROM THE OREGON REGION OF CCCA

### DIRECTOR'S MESSAGE

A big thanks to Larry Cox and others for running the March meeting in my absence. For those of you that missed Larry Cox's award-winning presentation on automotive electrical systems on March 16<sup>th</sup>, it was terrific. You can only hope Larry is around when you break down.

April showers bring May flowers and the PIR/Portland Swap meet (April 3-7). This is the first year in over a decade that I do not have a booth, so I plan on enjoying the weekend. It looks like a very rainy weekend, so be prepared.

Saturday, April 13<sup>th</sup>, we will be visiting the much-awaited Bob Ames garage. Meet at the Freedman garage at 9:30 am, tour to Ames garage, then to Ernesto's in Raleigh Hills for lunch.

Our annual spring overnight tour to the Eugene area, May 4-5, is all planned, thanks to George and Sylvia Potter. Information has been sent out previously. If you have not yet reserved a room, contact George.

Our **annual Ladies Tea** has been moved to May 25<sup>th</sup> due to conflicts and scheduling arrangements. Yes, it is Memorial Day weekend, but we couldn't get reservations any other time, and our ladies deserve their tea. Put it on your calendars. A separate flyer has been sent with details.

Our September tour to Coeur d'Alene, Idaho and north into Canada on the Selkirk Loop is in the planning stages. 24 people (cars) have already signed up and our limit is 20. We usually have cancellations, but for now, anyone wishing to go on the tour will be wait listed.

## CCCA Passport Driving Program

**(REVISED)**

This new Driving Program is about the joy of owning a Classic Car and the true thrill of taking the wheel to use them as they were originally attended – for motoring. Mileage Car Badges are awarded based on the miles that you drive your full classic. The first badge comes at 1,000 miles, additional badges are awarded as you achieve higher mileage. To register your cars the odometer reading must be verified, and a registration form filled out and mailed to CCCA with a fee of \$25 per car. This is a good program to promote driving our cars. Now is a good time to get registered for 2017. As a national director, Howard Freedman and certify your mileage.
