**Activities/Tours Report:**

- Matt gave a brief recap of the May 16<sup>th</sup> - 19<sup>th</sup> Packard Club Western Regions tour. Everything went well with over 55 people and more than 20 Packards in attendance.
- Howard gave a brief recap of the May 4-5 (Cinco de Mayo) tour. Great tour - except when he spilled his dinner on himself. Joe Potter's Garage was a real highlight of the tour.
- Pat Cox gave a brief recap of the May 25<sup>th</sup> Ladies Tea which was a great success. The ladies were all well turned out and apparently, Pat's dress was quite spectacular. Pictures of the event can be found on our website.
- Bill reminded everyone that June 16<sup>th</sup> will be the annual Strawberry Social at Mt Tabor Park – Shelter B. This also happens to be Father's Day and family, of course, is encouraged to attend. A sign-up sheet was passed around. Please plan to pay "at the door."
- July 10<sup>th</sup> - our July meeting will be an outdoor BBQ held at the End of the Oregon Trail Park in Oregon City. Matt Hackney and Bill Price will be our chefs for the evening. Dessert will be potluck. Fee will be \$10 per person. Pay at the door for this as well.
- Bob Douglas encouraged everyone to come to the Pacific Health and Rehab cruise-in on June 11<sup>th</sup> from 10am to 2pm. The residents really appreciate the cars and a BBQ lunch will be provided. Flyers were passed out. Please let Bob know if you plan to attend.

**Membership Report:** Nothing reported.

**Webmaster Report:** Nothing reported.

**Publications Report:** RE: *The Hood Release* – Larry will be interviewing Pat Brothers in Bridal Veil for an article on their V-12 Cadillac. He will also be talking with Quentin Robbins about his V-16 Caddy. The next edition is planned to be out in mid-July.

**Old Business:**

- Howard gave another recap of how the National is doing financially and with membership. Membership is less than half of what it was ten years ago. Dues will likely increase to \$80 next year which may drive some away. Several steps are being taken to correct the situation.

**New Business:**

- Howard recapped the recent "Museum Experience" in Michigan. Despite some poor weather one day, the event was quite a success. Sunday fielded 60 cars with the oldest being a 1913 Pierce-Arrow(?) which even participated on the tour up to Mackinac Island. Howard also reviewed some of the activities and facility improvements going on at the museum.

**Program:** - Bob Earls regaled the crowd with fun stories about many of the cars he's owned and some of the colorful and interesting people he's met along the way.

**The meeting was adjourned at 7:04 pm. (program and conversation continued until 8pm.)**
